A living hope that does not fade  
**E**                    **E/G#**                    **A2**  
Through my pain I know I'll see you  
                                 **F#**  
Face to face  
   **A2**    **B**  
As Your goodness fills my heart

**E**                    **B/D#**  
Greater are You than any trial  
                                 **C#m**                    **A**  
Greater are You than deepest pain  
                                 **E**                    **F#**  
Greater are You than any worry  
                                 **C#m**                    **A**  
Greater are You than anything

I will sing of Your great love  
God I know I'm under Your control  
And when burdens hinder me  
It's through Your mercy Lord I'll see You  
Face to face  
As Your goodness fills my heart
